Fun at Stortorget
13 January – 14 February

Welcome to the Winter Dome

The tree has been taken down, the candles are all gone and the afternoons are still as dark as night. Don't be sad - join us at the Winter Dome instead! On three Fridays and four Saturdays in January and February, clubs and associations, study associations and the Municipality of Lund are offering fun activities in the spacious tent in the middle of Stortorget.

Fantasy blooms with no limits under the arches of the cupola. Come in whenever you like and enjoy a creative, colourful floral display. Warm up by running or stumbling through the ski-boot race on Skomakargatan or - perhaps easier - by enjoying a cup of hot chocolate. The Scouts are your hosts and will be on hand each Saturday from 13-16.

Saturday, 13 January

11.00 – 13.00 Create fantasy flowers

How crazy, magnificent, golden or meandering can a flower be? It's up to you! This is a workshop where fantasy can bloom in your hands, with no limits. Materials are available in the Dome.
